ing the land, congressmen said yesterday.

Representative Luther W. Mo.t, of New York, said he had been informed that the war department has paid out during the past two weeks 5,000,000 for the purchase of Camps Lee, Taylor, Pike, Sherman and Travis.

"They are buying land and spending money," he declared, in the most reckless fashion, and in about the same way as the wets are said to be stocking up with liquor before the taking effect of war-time prohibition."

tion."

Mott today introduced in the house a resolution calling on Secretary Baker to furnish detailed information concerning land purchases by the war department since June 15, when the military appropriation bill passed the house. This bill carried a provision prohibiting purchase of land by the war department, but it had not become a law, and the war department has funds under previous legislation.

PEACE SIGNING DIDN'T AFFECT CORN MARKET

Chicago, June 28.—Actual signing of the peace treaty failed outright today to influence the corn market. Opening prices, which varied from %c off to %c advance, were followed by a slight general unturn and then by a setback all around to well below yesterdey's finish. The market closed unsettled, %c net lower to %c advance.
Oats were duil and weak with corn. Provisions held steady.

New York, June 28.—Stocks were firm to strong at the opening of today's short seasion, the list, excepting rails, making further upward progress on news of the signing of the peace treaty. Solling for profits and intimations of further differences with Mexico regarding foreign-owned oil concessions reduced some of the more important gains later. Trading continued to an unusual extent in industrials of the various peace groups, notably rubber, textile, food, motor, leather and paper shares, coppers also adding to recent advances. The closing was strong. Sales approximated 650,000 shares.
